Lois Bauer-Newholm

Lois Bauer-Newholm has her roots in Monticello. She is the 4th generation of her family to grow up in Monticello. The daughter of Carl and Mary Kleitsch, she has two brothers, Danny and Chuck Bauer. Lois wanted to do something to give back to her community, and having a hearing impairment caused by Spinal Meningitis at the age of 2 ½, she could identify with many of the Camp Courageous campers. In addition, a zipline ride was on her bucket list!

Lois said, “It makes my heart happy to see the campers enjoying a week at Camp. My husband, Craig, was a big donor to good causes, and I know he would be happy I made this donation.” The naming rights gift was given by Craig and Lois Bauer-Newholm.

Paul Junior Papke

Camp Courageous was pleasantly surprised when Lolo and Rodney Wilson of Miles stopped by Camp with a donation from Lolo’s brother, Paul Junior Papke, who had a trust that benefited Camp Courageous upon his passing. It was decided that Paul Junior Papke would most like naming rights to the Multipurpose Field, along with naming rights to the American flag tribute at the Mainliner Memorial Park, and, in addition, donate money toward the accessible dock at Lake Todd.

Lolo and Rodney are a wonderful couple who have been married for 65 years. They stressed, “This is not from us, it is from Junior.” Junior enjoyed nature, wildlife, and the outdoors. Junior and his wife, Betty, were married 50 years. He would listen to Leo Greco on WMT every Sunday and always had a special place in his heart for Camp Courageous.

In the areas Junior is helping, one will see nice brass plaques inscribed with:

"Gift was given by Paul Junior Papke, Sabula, Iowa, Jackson County, 1924-2008."

What a wonderful difference Paul made at Camp Courageous.

Helen and Mike Macek

A special thank you to the families of Gary Macek, Craig Macek, and Carrie Lamb (Macek) for their major gift to Camp Courageous. Their gift is being made in honor of Helen and Mike Macek, their parents and grandparents.

Helen and Mike were very involved in Camp Courageous from some of its earliest days. After Helen’s passing at age 100, Gary and his children (Craig Macek and Carrie (Macek) Lamb) donated the home Gary grew up in, plus all its contents to Camp Courageous. He then came to Camp to review possibilities for a special honor for his parents.

Helen and Mike Macek

The family decided to join the Bauer-Newholm Zipline at the naming rights financial level and join Paul Junior Papke at the naming rights financial level to the Multipurpose Field! These are two huge projects that needed this kind of support to make them financially possible for campers.

We cannot thank the Macek Family enough for the wonderful legacy they are leaving at Camp Courageous in memory of two legendary individuals.

Hilsenbeck leaves legacy at Camp

Camp’s sincerest sympathy goes out to the family and friends of Jim Hilsenbeck upon his passing, particularly his sister Corrine. Together, they spent a great deal of time involved with Camp Courageous over the past 40 years. A true ‘gentle’ man, Jim was dearly loved by all at Camp fortunate enough to cross his path. He leaves a legacy at Camp Courageous that will live on forever through a gift of his home exactly three years ago. Jim gave the Camp Courageous Foundation his home at 600 Heather Court in Marion, IA. He continued to have lifetime use of his home. The Derecho (inland hurricane) that hit the Cedar Rapids/Marion area hard was tough on Jim. Because of his relationship with the Camp, we were able to get a team of carpenters and repair people to make necessary repairs within a couple hours of the storm.

Jim was very proud of his time spent in the service and was a true patriot. He was quick to buy a bench in the new Mainliner Memorial Park, honoring those who served our Country.

Jim will be missed by everyone at Camp Courageous. How fortunate we were to know such a wonderful person and get to know him and his family even better during his final weeks in the hospital and hospice….

This year’s FUEL Iowa Golf Benefit for Camp Courageous was a huge success! It was a beautiful day at Brown Deer Golf Club in Coralville and the event was sold out. Four current players from the University of Iowa Football Team played, including FUEL Iowa Golf Benefit Coordinator Gary Koerner’s son, Jack. Coach Kirk Ferentz stopped by before dinner to provide an inspirational talk and thank you to the group. Camp Courageous also had a putting contest at the event.

FUELIowa’s 40th year together!

One of the highlights of the day was when the University of Iowa Football Team played, including FUELIowa’s 40th year together! With the check is (L-R) Doug Coziahr, Chair of the FUELIowa Board, Charlie Becker, and President & CEO of FUELIowa Ronald Langston. Special thanks to Gary Koerner, Jim Ewing, and John Maynes for all their work to make this event so successful.

Special thanks to (L-R) Alex Vaugn-Low and Riley Haskens for helping at the putting greens. Riley has been a regular volunteer at Camp, including a counselor during Muscular Dystrophy week, which he considered "a life changing experience."

Richard Grover was a regular at camp events, and always came with a large donation of much needed items from the camp’s needs list. May 6th was the 10th anniversary of his passing and his family wanted to remember him in a special way. Since Camp Courageous was so important to Richard, his daughter Jane Ficken, and her family decided to carry on the tradition Richard started by delivering an SUV full of wonderful supplies, including everything from arts and crafts supplies, paper products, cleaning supplies, to wash clothes. On May 15th Richard would have been 88 years old. What a wonderful way to remember a special man. Shown is Jane Ficken from Newhall with their fabulous donations.

Camp Courageous congratulates the Iowa VFW and Auxiliary (Veterans Of Foreign Wars) on their 100th Annual Convention! Camp is humbled and grateful they have chosen to be supportive of Camp Courageous for almost 50 of their 100 years! It was an exceptional Convention with Paul Arnold as State Commander and Sandy Weldon as State President. They have had such an outstanding year! The outpouring of support from this group warms the heart. A special thank you to Jerry Black, State Adjutant/Quartermaster and staff for all they do to assist!

FUELIowa was part of the world's largest service organization numbering more than 1.3 million members in over 208 countries and geographic areas. They are extremely involved with Camp Courageous, including Lions Visually Impaired Week.

Camp Courageous was honored to host the 2021 Iowa Lions State Convention. It was not an easy task, as planning began in the midst of the Pandemic and things were changing daily. By convention time, most had their vacations for months and the requirement to mask had ended. New White/Papke accessible dock

Thanks to the generous gifts of the Robert and Marian White Memorials (the Grandparents of Camper Rachel White) and a gift from the late Paul Jr. Papke, a beautiful new accessible dock has been added to Lake Todd. The dock area is being used almost daily by the campers to safely enter and leave canoes and paddle boats. Camp is waiting on a railing that is delayed due to the short supply of materials transverse post pandemic. Thank you to the Whites and Papkes for seeing the need and making this dream come true for the campers.

Long-time Camp supporter Randy Lee retires from 600AM-WMT

Randy Lee recently joined the ranks of such legends like Tait Cummins and Leo Greco by being unanimously elected by the Camp Courageous Board of Directors to the Camp Courageous Honorary Board. This is the highest honor Camp can bestow on anyone. 42 years ago, Dotty Cummins, wife of sports legend Tait Cummins, and a 25-year-old teacher, new to Camp Courageous, that Camp Courageous Board Members (L-R) Mary VanHouten and Margo Ahrendsen present Randy Lee with the Camp’s Honorary Board Award at a reception for Randy’s Retirement at Camp Courageous.

To shine your brightest light is to be who you truly are.
Be thankful for everything that happens in your life; it’s all an experience.
Currently, Annie was able to conquer her fear of closed spaces and made it through the most difficult parts of the cave, unlike any other she has ever done this activity before. After getting into the beginning of the cave, Annie thought she wanted to get out. It was the last day of camp for the fourteen year-old Annie participated in. The last day of camp for the activities, and giving her all into each element she could do to best maneuver her body, no matter how to get to the ending point and what to turn back around. Her main focus was on how to get to the ending point and what to turn back around. Her main focus was

Gary and Judy Stevens of Cedar Rapids were always very kind and generous people with their time and support. Over the years we had many wonderful experiences with them. Gary was a lineman at Iowa Electric Light & Power Company (Alliant) in Cedar Rapids. In 1975, he was electrocuted, resulting in the loss of his arm, which never hindered him. Gary was a leader and went the extra mile for Camp Courageous and would bring friends from far and wide to tour the camp. It was always a treat when Gary asked a person to jump in his pickup and he would drive around town, visiting about the latest and greatest projects that he had built. Gary’s sympathy goes out to Lloyd’s family and friends.

Camp Courageous was saddened by the passing of dear friend Lloyd Welter. Lloyd received the Camp Courageous Trailblazer Award in 1993 after years of providing needed supplies, from shelving, office equipment, to much more. Lloyd always seemed to have something genuine made with a labor of love. She loved talking about the camp’s needs list and found search for the needed items, especially for the children. Tony, Marlan and Lorenz included many family and friends to the camp. They were also very active with the Elridge Lions Club and worked at Allen Hospital. They left a gift to Camp that was deeply saddened by the passing of dear friend Leland Buol. Leland was a wonderful relationship and we were fortunate. They have also been long-time donors through Thrivent Financial. Their spirit of giving back and genuinely caring for others will be dearly missed.

Camp Courageous was saddened by the passing of Marian Behrens, 84, of Eldridge (Marian and Lorenz have been active with Camp for many years). Marian was very kind and was a super supporter of Camp Courageous. She had been a good friend and she was active in the community. Her spirit of giving back and genuinely caring for others will be dearly missed.

Camp’s sympathy goes out to the family and friends of Dr. Blaine Houmes. She was a wonderful relationship and we were fortunate. Throughout his life Doug has been there for many to do whatever he could for 12 hours straight (overnight) until the person was found. The story ended well with the camper having had the time of his life playing hide-and-seek against 100 volunteer searchers. Throughout his life Doug has been there for many to do whatever he could for those in need. His spirit of giving back and genuinely caring for others will be dearly missed.

Camp’s sympathy goes out to the family of Herbert Henderson of Pleasant Hill, IA. For the past 20 years Dale has been a wonderful relationship and we were fortunate. Tony was very kind and was a super supporter of Camp Courageous. He had been a good friend and he was active in the community. His spirit of giving back and genuinely caring for others will be dearly missed.

Camp’s sympathy goes out to the family of Eugene and Beverly Bradley.

Camp’s sympathy goes out to the family of Dorothy Henderson - In memory of Marian Behrens.

Camp’s sympathy goes out to the family of Dorothy Henderson - In memory of Leland Buol.

Camp’s sympathy goes out to the family of Tony Sieverding. Tony had been a wonderful relationship and we were fortunate. His spirit of giving back and genuinely caring for others will be dearly missed.

- Don’t forget to support Camp Courageous for the next 74 years! Your family has been endlessly dedicated to Camp Courageous with this project for over a dozen years. Thousands of dollars have been raised by the Krebs! The project can begin in Jan/Feb 2022. Hayley Krebs has been done an enormous job and is now planning to retire, but without finding an exceptional replacement! Picture in the Krebs when they came to the Camp Courageous Omelet Breakfast and introduced the Camp to Nolan with Mark (L) and his family. Thank you to Nolan for taking on this wonderful project!

(L-R) Joyce Henderson (Doug) from Friends of Marilyn Harmon

Monticello stopped by Camp Courageous with memorials for Dick and Dorothy Henderson (Doug’s parents) who were originally from Milwaukee, WI. Joyce and Marilyn were classmates in the Local Support School District, so it was a great opportunity to meet up. Along with watching the camp development, Joyce and Bill were also interested in hearing about the Camp’s wonderful Cogon sponsors, like Savage Lumber Company, where Dick managed the facility. Later, Dick worked at Ogden & Adams Lumber, who were very active in Camp’s early years. Super Families!

Twila Meder has been a dedicated supporter of Camp Courageous for over 25 years. She routinely goes over camp’s clothing and purchases needed items. She is shown with items she recently delivered including arts and crafts, sailing gear, T-shirts, make-up and nail polish for camper spa days, masks, tape, and much more. Camp is so appreciative of Twila’s generosity!

Thank you to Tony Krebs (R) of Durant for his hard work and dedication in collecting cans for Camp Courageous for the past 74 years! Your family has been endlessly dedicated to Camp Courageous with this project for over a dozen years. Thousands of dollars have been raised by the Krebs! The project can begin in Jan/Feb 2022. Stutsman continue their support of Camp!

A huge thank you to Camp Courageous’ dear friend at Stutsman in Hills, IA for donating a semi load of salt (18 pallets) to be used for camp’s softener and nitrate systems. Pictured is Matt Willey, a driver for Stutsman, unloading the donation. Camp has grown into a small city with a lot of calcium in its water and, at times, nitrates. Stutsman provide the salt that gives camp the opportunity to provide exceptional water. Camp’s water is tested daily with the samples going to ClerffRight Laboratories in Maquoketa who provide all the testing for free. The Stutsman Family has been involved with Camp Courageous for decades going back to Eldon

Thank you to Bonnie Fritz (white shorts-center) for giving Camp Courageous the opportunity to present to the Cedar Rapids area LADOS (life after death of spouse). This group had lots of wonderful questions and were very engaged. Had fun visiting about Tail and Dotty Cummins, Leo Greco and many heartwarming camper stories, told by members. The loss of a spouse dramatically changes one’s life. LADOS goal is to bring widowed people together in a safe and comfortable setting where they can connect with others who have experienced like situations. The group meets the second Tuesday of each month at 2 PM at St Marks Lutheran Church in Marion.

2021 Cruisin’ a record-breaking year!

The 2021 “Cruisin’ for Camp Courageous” car show was held on Sunday, May 16th. A huge crowd was on hand to take in the hundreds of show cars, trucks, and motorcycles, listen to music, enjoy some scrumptious food, bid on auction items, ride the train, play some games, or simply enjoy a beautiful day. Many thanks to all the car clubs competing for the coveted “Club Award” for having the most cars entered in the show and to all the entrants who came from as far as three hours away. It was a record-breaking year!

The planning committee for the 2021 Cruisin for Camp Courageous worked hard throughout the year to make sure the 2021 show was a huge success! Their dedication to camp and the event is priceless—we couldn’t do it without them! (L-R) Dave and Della Schmuecker, Terry Dolezal, Whitey Hermansen, Larry Hampton, Sharon Davis, Terri Cox, Becky Melchert, and Roger Hindman.

Stutsman, Eldon made regular visits to camp to bring things from the camp’s needs list. Super family and company.

Camp tries to make activities, like bowling, as accessible as possible.
It was an amazing opening week to the summer at Camp Courageous for 2021! The "One Scoop Group" grew close and did so many different things as a team. During their week they had a variety of adventures ranging from a zipline to caving to decorating the garden. Friendships were made and we hope to see all these campers again if not this summer then in the years to come.

Thanks to Adam and Reese for delivering a brand new dunk tank to Camp! Adam, Dallas and Donna from the Watts Group in Iowa City created a brand new dunk tank that can be used for Campers, staff and willing volunteers! The new dunk tank was created from an idea found online that would allow not only counselors to be "dunked" but also campers! This new dunk tank has already brought joy and a few screams to base camp on some hot Summer days! This dunk tank will continue to be utilized by Camp's program throughout each week in the Summer and for years to follow! A huge thank you to the Watts Group for their innovation and creativity, designing another barrier-free and fun element for Camp.

The Monticello Rotary Club is celebrating their 100th Anniversary this year. As part of this celebration they have built an outdoor music park for Camp Courageous named the Rotary Music Park. The Park is inclusive, accessible, and for all ages. It contains several different durable instruments that harmoniously play together. The instruments are designed so there is no wrong way to play an instrument. There is even a color-coded instrument (Cavatina) that is paired with a music book containing color coded notes for campers to play different songs, such as "Old McDonald." Other instruments include a large-scale xylophone, drums, bells, and musical stepping stones. This area is also open to the public to enjoy!

FRUITCAKE BAKING!

It's time to start thinking about FRUITCAKES! Volunteers are needed August 14-18, 2020, to help bake and package Camp's delicious fruitcakes. If you would like to help, please call 319-465-5916 ext. 2180 or send an email to fruitcakes@campcourageous.org

Thank you to (L-R) Rick Bowersox and Floyd Sauter from the El Kaphar Shrine in Cedar Rapids for their donation of bags of stuffed animals. A huge hit with campers! The Shrine has been actively involved with Camp, going back to Tait Cummins and the mid-70s.

Thank you to (L-R) Tim McDougal, Kathy Pratt, Tom Osborne, and Creighton Randolph. Greg Quinn was also active on the committee.

In order to ride the Camp's new zipline, one must be at least 42" tall. What a delightful way to determine a rider's height—having the Camp Bear help. His big paw is 42" off the ground. Thank you to the wonderful talent of Clint Henik. This could be the first of many of Clint's beautiful pieces around camp. To see more of Clint's work, visit https://carverway.com

"The more one gives, the more it comes back, many times over," Vera Gienapp is the perfect example. At 100 years old Vera spent decades in a leadership role at the Camp Courageous Manchester Garage Sale. Her delightful positive personality on everything makes her a true joy to be around. Her husband, Bud Gienapp, was also a delight and a hardworking volunteer for Camp. Bud passed at the age of 94 in 2017. They were married for 71 years! Camp has seen a real correlation between its supporters and longevity... could the Camp be the Fountain of Youth? If you want to wish Vera a Happy Birthday, her address is Vera Gienapp, The Meadows, 105 McCarron Dr. Apt. 10, Manchester, IA 52057.

Pictured is Richard Lewis, a great supporter to Camp Courageous, with one of his many donations to the Dietary Department. If Richard is given a list of needed items, he is off on the hunt for them and other items for the next special happening at Camp.

"Becky Melchert is a very special supporter and fundraiser for Camp Courageous, she has been a true joy to be around. Her husband, Mike, has also been a wonderful supporter and volunteer. Together they have donated many wonderful items, including a large-scale xylophone, drums, bells, and musical stepping stones. This area is also open to the public to enjoy!

Jim Gibney started coming to Camp Courageous when he was 11 years old. By the age of 20, he was enjoying Courageous’ Wilderness Trekken program, a week of camping, canoeing, and wilderness activities away from base camp. Jimmy so enjoyed his time at Camp Courageous he wanted to give a young person the same opportunity he was given.

Jimmy is now in his mid 30s and has been saving his birthday money, along with "re-purposing" his tips (which he feels very guilty accepting) from his work at the Wilson Ave. Hy-Vee, in addition to his employee bonus money to provide a person with special needs the opportunity to go to Camp Courageous (Campership). Additionally, he also wanted to provide money for the camper to have a T-shirt and snacks while at Camp!

Jimmy has always had an ‘Eagle Scout mentality’ with the need to serve. He grew up learning by example from his mentor, Lisa Gibney, what it means to help others. Lisa was involved for years with the Variety Club Telethon, Camp Courageous, and many other worthy causes. Jimmy has a wonderful role model in his mother.

One would be hard pressed to find a nicer young man than Jimmy. He is an inspiration to more people than he could ever realize. Thank you to Jimmy for being such a good and caring person! Your story will warm the hearts of many…

The Courier is Camp Courageous’ primary form of communication with supporters and is distributed to as many as 20,000 supporters each quarter. Through the Courier, Camp is able to promote various fund raising events and projects, as well as inform supporters of current needs and opportunities to give. Many of the wonderful things at Camp Courageous are a result of a need being mentioned in the Courier and a supporter fulfilling that need. Camp Courageous would not exist without the generosity of its supporters. Camp appreciates your consideration in sponsoring this important communication.

Thank you to...

Delmar Lions did a super job of helping clean up the timber at Camp. This group has been coming to Camp for almost three decades according to Paul Miller, who leads the group every year. Thank you Delmar Lions for your dedication and hard work for all those years!

Duane and Eunice Sill visited Camp to donate their four granddaughters’ original, “build a home” dolls, which they were given over 40 years ago when Greg worked at Wells Fargo and assisted them. Great family!
How can I help?
Camp Courageous continues to operate on donations, without government assistance, formal sponsorship, or paid fund raisers. Therefore, everything that is given to Camp directly benefits the campers. One of the reasons the camp has grown from serving 211 campers in 1974 to nearly 10,000 campers today is the incredible dedication of volunteers. Volunteer help is needed in every aspect of the camp. Please consider volunteering your time and talents to Camp Courageous.

Where can I get more info?
Visit Camp’s website at www.campcourageous.org, call Camp at 319-465-5916, or stop out for a tour to see firsthand how the camp has grown over the years.
